THE CANOEIST ASSURES THE GOOD JUDGE

Savages Shut Out Drummers at

St. Joe Thursday.

Cochran and Brown Batting

Heroes of the Day.

St. Joseph. Mo. Aug. 13.—The tryout of mother "kid" pitcher proved rather costly for Jack Holland in the initial game of the Savages just a little more than two limings to hammer Fuson out of the box, and they did a good job of hammering while they were about it. The final score was 7 to 0.

While three pitchers were trying to quell the turbulent Topekans, Dashner was proving a complete enigma to the Drummers. He was never in any sort of danger whatsoever, and conly once did a Josic even get beyond second. That was in the eighth when Watson, first up, walked and Groeling singled, Watson going to second.

Dashner Right.

Dashner was strictly "right" and pitched a wonderful game. He allowed five scattered hits, two of them being made in one inning, and none of the blows was for extra bases. Besides that, Dash fanned nine man. of the blows was for extra bases. Besides that, Dash fanned nine men. Brown's two-bagger was the only extra base wallop for the Savages, but they poled a big string of singles, getting fifteen hits altogether. Three straight singles, started off by Cochran, opened the fireworks for the Savages in the third. Then Brown delivered with his double, cleaning the hassocks. The left fielder counted on

ILL LEAD AT THE

FINISH JUDGE WITH 2 THE REAL TOBACCO CHEW 2 innings; off Keifer, 5 in 6 innings. Stolen base—Monroe, Sacrifice hits—Fisher, Tyde-man, Jackson, Time—1:55, UUmpire—

Notes of the Game. Jimmy Jackson became real vexed at Umps Geisel for calling him out at the plate in the fifth. To those in the stand it appeared as though he were right in his contention that Bliss

did not tag him.

Monroe hurt his finger on a foul tip
in the fifth and it was necessary for
him to be taken out of the game. Bill

nim to be taken out of the game. Bill Rapps replaced him.

Jimmy Jackson's return to the lineup after his short illness strengthened ihe Savages notably. He did his share 
with the stick, getting two singles and 
helping out with a sacrifice hit.

Cochran and Brown were two of the 
neroes of the day. Cochran got three 
dingles, besides starting two of the rallies, and Brown did his share by that 
two-bagger which emptied the bags. 
Helmer robbed Brown of a hit in the 
sixth by a sensational catch in deep wo-bagger which emptied the bags.

### COMPTON CASE INDICATES THE LAW'S STERN HAND IS TURNED AGAINST FEDS

American association club owners are taking a great deal of satisfaction in the fact that attorneys for the St. Louis Federal league club have given up the fight to keep Pete Compton, who flopped from the Kansas City American association team. This means that the law will not permit the Feds to make raids on the association clubs which use the same sort of a contract which Compton had with Kansas City.
